What is Bold Rock Rosé?

Our Rosé is a fruit-forward rosé style cider with a crisp berry finish. Much like a rosé wine, cider can be crafted to highlight different taste profiles and allow the nuances of the fruit to shine through. With an emphasis on the classic berry notes of a rosé, Bold Rock has created a cider that gives its apple base a vibrant fresh finish reminiscent to its wine counterpart.

Key facts:

- 6.0% alcohol by volume.
