

BARREL BARN DISTILLERY

OUR SPIRITS

Our small-batch spirits are unparalleled and held to the highest of standards. Why? Because it's not just the time we put into our spirits that makes us unique, it's the grain, the passion, and the thought as well. Committed to being a farm-to-glass distillery, we pride ourselves on using nothing but the best, local ingredients in our spirits.

Vodka

100% NYS wheat, distilled 5 times & filtered to create a smooth, crisp & clean spirit with a creamy mouth feel

Straight Bourbon Whiskey

Vanilla & leather scented with deep golden brown color & smooth caramel & oak tastes.

Cinnamon Apple Whiskey

A grown-up version of a candied apple soaked in whiskey, with fire-hot spicy cinnamon balanced by caramelized sugar & notes of refreshingly tart apple.

American Whiskey

A double oak-aged whiskey with strong vanilla notes. Leaves your pallet with a sweet floral, fig & honey flavor.

Spiced Peach Whiskey

Richly aromatic in peach notes with a complex finish, Spiced Peach Whiskey blends vibrant fruit notes and nuanced vanilla & cinnamon character to form a perfectly sippable flavored whiskey
