OUR STORY

The story of Bold Rock Hard Cider starts with a partnership between two guys from different sides of the world: John Washburn and Brian Shanks. The unlikely pair – John a southern gentleman and Brian an affable New Zealander – launched Bold Rock Hard Cider in June 2012 out of a humble barn nestled in the Virginia foothills of the Blue Ridge Mountains. John had a vision of bringing people together over a sustainably crafted alcoholic beverage while Brian dreamed of sharing his highly drinkable style of hard cider with the US masses. Since then, Bold Rock expanded to Mills River, North Carolina and now calls Western North Carolina home. Our assortment has also grown to now offering a wide range of refreshment, including Hard Lemonade, Hard Tea and Hard Seltzer to complement our award-winning cider.

Our Mills River taproom represents a significant step forward for Bold Rock – offering delicious hand-crafted food that pairs perfectly with some of our favorites like Bold Rock Carolina Apple or Premium Dry Cider. We invite you to try it all and become immersed in our unique and approachable selection of craft beverage.

Of the various taps and numerous packaged options in house, we also have a few from our friends and partners at Southern Tier Brewing, Victory Brewing Company and Sixpoint Brewery. So, while you're here enjoying all that Bold Rock has to offer, don't forget to check out the world class beer from our sister breweries to the North.

Looking to become further immersed in Bold Rock? Our downtown Asheville NC Cidery & Taproom is just an apple's throw down I-26. And if you ever find yourself in Virginia, we also feature a taproom location at our original cidery in Nellysford as well as a seasonal outpost at Carter's Mountain, near Charlottesville. Bold Rock is distributed in most states east of the Mississippi so if you forget to snag a 6-pack or case on your way out, head to boldrock.com/finder to locate a retailer closer to home.

Until next time – thank you for your visit and LIVE BOLD!
