# OUR STORY

---

The story of Bold Rock Hard Cider starts with a partnership between two guys from different sides of the world: John Washburn and Brian Shanks. The unlikely pair – John a southern gentleman and Brian an affable New Zealander – launched Bold Rock Hard Cider in June 2012 out of a humble barn nestled in the Virginia foothills of the Blue Ridge Mountains. John had a vision of bringing people together over a sustainably crafted alcoholic beverage while Brian dreamed of sharing his highly drinkable style of hard cider with the US masses. Since then, Bold Rock expanded to Mills River, North Carolina and Asheville, North Carolina. Our assortment has also grown to now offering a wide range of refreshment, including Hard Lemonade, Hard Tea and Hard Seltzer to complement our award-winning cider.

Our original taproom here in Nellysford represents a significant component for Bold Rock – offering delicious hand-crafted food that pairs perfectly with some of our favorites like Bold Rock Carolina Apple or Premium Dry Cider. We invite you to try it all and become immersed in our unique and approachable selection of craft beverage.

Of the various taps and numerous packaged options in house, we also have a few from our friends and partners at Southern Tier Brewing, Victory Brewing Company and Sixpoint Brewery. So, while you're here enjoying all that Bold Rock has to offer, don't forget to check out the world class beer from our sister breweries to the North.

Looking to become further immersed in Bold Rock? Our seasonal outpost at Carter's Mountain, near Charlottesville is just an apple's throw away. And If you ever find yourself in North Carolina, we also feature taproom locations in Mills River and downtown Asheville. Bold Rock is distributed in most states east of the Mississippi so if you forget to snag a 6-pack or case on your way out, head to [boldrock.com/finder](http://boldrock.com/finder) to locate a retailer closer to home.

Until next time – thank you for your visit and LIVE BOLD!
